

## Hafta 4

The image shows a screenshot of a Windows application window titled "Form1". The window contains a form with three input fields and a button. The first input field is labeled "Ad", the second is labeled "Soyad", and the third is labeled "Burs Miktarı". To the right of these fields is a button labeled "Kaydet". Below the input fields is a large, empty rectangular area, likely intended for a list or detailed information. The window has a standard Windows title bar with minimize, maximize, and close buttons.
